

FSL Boys' Lacrosse 2000 Commissioners Report

The four FSL lacrosse teams are to be commended for a smooth and successful season. There were no sportsmanship issues that I am aware of. Congratulations to George School for winning the league championship with an impressive effort in the championship game.

Discussion: the coaches are aware of the formula for determining the number of All-League nominees. They would like to ask for an exception to allow 13 rather than the current 10. Their reasoning lies in the belief that a full team consists of 13 players (10 on the field and 3 waiting in the box).
