

FSL Boys' Lacrosse 1996

This was our first year of Boys' Lacrosse for the Friends School League. The four teams who participated this year were: Academy of the New Church, Friends' Central, George School and Westtown. After the regular season contests ANC was undefeated and in first place, followed by GS with only one loss to ANC in a double overtime contest. Westtown earned third place honors by defeating Friends Central.

George School hosted Westtown for the semifinal game, which George School won by a score of 14 to 4. George School then moved on to the FSL finals at Academy of the New Church. This was a well-played game by the two teams that had a great deal of respect for each other. This time George School managed to defeat Academy of the New Church by a score of 12 to 6 to earn the first ever FSL Championship for Boys' Lacrosse.

This was our first year and it was not without concerns. There seemed to be a feeling that maybe this league was not in the best interest of lacrosse in our schools. It was felt that we should do everything we could to increase the number of participating schools in the league. The coaches felt that we needed more teams in the league to make it more viable and maybe be able to earn a berth in the PSLA (Pennsylvania Scholastic Lacrosse Association) tournament. However, this also brings with it some problems as to the level of play of the new schools and the number of games we have to play. They also felt that we should have our All league selection meeting at the end of the regular season so we could bring our selections to the PLSA meeting and have a chance to get our kids some recognition in the larger arena. And finally, it was felt that we need to express our evaluation of the quality, or I should say the lack there of, of the officiating. It was felt that we were not getting the same quality of officials as the other more established teams had.
